

## SCHEDULE FOR THE OHCC WALKERS/HIKERS CLUB FOR 2026

**Beginning with 2026 events, the official schedule for all hikes and walks will be available ONLY on our Walkers Hikers Clubs calendar at [Calendar | OHCC Walkers/Hikers](#)**

All events are subject to change due to weather, trail conditions or unforeseen problems. **Please note start times! They do change because of seasonality and trip distance.** All events begin in the Overflow Parking Lot. We usually carpool to the venue.

Also, new events are being created every day on our website, they include impromptu walks and hikes, group walks around OHCC.

To encourage wide participation by members of different hiking abilities, hikes will take place on the first Friday and the third Thursday while walks will take place on the second Friday and fourth Thursday of each month.

Saturday or weekend hikes will take place during months with five weeks. Some weekend hikes are more difficult and require some travel. Also, some of the weekend hikes require parking permits. A permit to all California State Parks called the California Adventure Pass is available at REI.

See below for explanations of hike difficulty.

It is a part of the original Mexican Rancho Santa Ysabel land grant from 1844. The Nature Trail hike ascends from the Visitor Center to the crest of the hill where it connects to the coast to crest trails headed toward Vulcan Mountain. From here we take the West Vista Trail with beautiful views west into the Santa Ysabel West Preserve. Then we wind along the crest of the hill and gradually descend and loop back to the Visitor Center. It is worthwhile timing this hike to visit the nature Center before or after the hike.
